Edelweiss Finance & Investments Limited

Public Disclosure on Liquidity Risk

(Currency: Indian Rupees in million)

iv) Institutional set-up for liquidity risk management

The Board of Directors of the Company has constituted the Asset Liability Management Committee and the Risk Management Committee.

The Asset Liability Management Committee, inter alia -

- (a) Implement and administer guidelines on Asset-Liability Management approved by the Board and its revision, if any
- (b) Monitor the asset liability gap and overcome the asset-liability mismatches, interest risk exposure, etc.; Strategize action to mitigate risk associated with the asset liability gap;
- (c) Develop risk policies and procedures and verify adherence to various risk parameters and prudential limits; review the risk monitoring system and ensure effective risk management; and
- (d) Ensure that the credit and investment exposure to any party / Company / group of parties or companies does not exceed the internally set limits as well as statutory limits as prescribed by Reserve Bank of India from time to time.

The Company ensures sufficient Liquidity Cushion is maintained in the form of Cash and cash equivalents and Investments in liquid securities. These assets carry minimal credit risk and can be liquidated in a very short period of time. This takes care of immediate obligations while continuing to honour our commitments as a going concern. The Company continues to focus on developing a diversified funding model to achieve an optimum cost of funds while balancing liquidity.
